**Subject:** Sequence search request (RUSH)

JEFF: Could you please approve a RUSH on these antisense sequences? The sequences are 20 mers.

This is a date case that was docketed to me last week!

STIC: Could you please do a regular search of SEQ ID NOs: 9, 10, 11 and 12 of USSN 09/980265?

Please no EST's and no interference search.

**Terra Gibbs #79523**
